Eric,

I do not have an estimated delivery date for the GIS tool. I have requested this information and will let you know shortly.

Thank you,
Jen Woronets :)

This communication is made under the framework of the LWG Participation Agreement and in the parties' common interests in meeting LWG member obligations under the Administrative Order on Consent and in anticipation of litigation concerning liability for the Portland Harbor Superfund site. This communication is intended and believed by the parties to be part of an ongoing and joint effort to develop and maintain a common legal strategy and contains strategies, work product and legal advice within the "common interest" extension of the attorney-client privilege and the work product doctrine. This communication may include attorney-client communications. With respect to communications by private LWG members to public members, those communications are with the expectation that they will be kept confidential by the public entities. The information is intended to be for the use of the individual or entity named above. If you are not the intended recipient, please be aware that any disclosure, copying, distribution or use of the contents of this information is prohibited. If you have received this electronic transmission in error, please notify us by electronic mail at jworonets@anchoragea.com

Subject: RE: DRAFT LWG PRG Report for EPA Posting

Jen - Please notify EPA of the Early PRGs posting.

Chip and Eric - The Early PRGs submittal has been posted to the link shown below. It includes summary early PRG tables as well as brief supporting text describing development of those PRGs. Per our meeting agreements this text is intentionally brief and focuses on key aspects of Early PRG development.

Note that the GIS Tool that will compliment EPA's use of the Early PRGs is under going finalization and will be provided to EPA soon.

Thanks.

Carl
